Terms of Agreement for purchased services and activities

1. Every effort will be made to accommodate the client's need in the scheduling of services. Booking at least one term in advance, however is recommended.
2. A minimum of 56 working days notice must be given for cancellation of all UFA activities, training and advice & guidance days. A charge will be made for the days as follows:
 - From booking 25%
 - 56 days notice 50%
 - 28 days notice 100%.
3. If services are not provided due to operational problems within the UFA team (e.g. illness) then services will be rescheduled.
4. We advise that the days indicated on the services request form are booked in as soon as possible. The outcome and focus of the days will form part of the planning process with the partner area. If you need to change the purpose of those days then that is possible in negotiation with NUFA.
5. The cost of travel and any overnight accommodation incurred by members of the national team is an additional charge. We endeavour to make all such charges as reasonable as possible and will be in line with standard LEA rates.
6. If additional costs for UFA Kit and materials are required you will be told in advance.
7. The charges assume half a day preparation and travel time for each day delivered. If additional preparation is identified when activities are being discussed, then this will be chargeable at the daily rate. This will always be discussed and clarified in advance of work being done.
8. Unless we hear to the contrary we will assume that these terms have been understood and accepted. Services will cease to be provided by the UFA if payment has not been received within three months of the invoice issue.
9. Themed packages need to be paid for in advance to receive the discount.
